Schools are advised to publish these as separate documents.

5.2 The **enrolment register** is a permanent record of the students admitted to the school. EPIC is required to implement processes and procedures to ensure that the register is up to date. The enrolment register determines those students for whom attendance must be registered and monitored.

5.3 If EPIC is oversubscribed in one or more age groups, we choose to maintain a **waiting list**. The principles of fairness and transparency that apply throughout the enrolment policy also apply to the procedures relating to the management of the waiting list.
